# **Property/Casualty Claim Reporting**

#### I. Purpose

In order to protect the state's vital physical, financial, and human resources, property/casualty claims must be filed in a timely and systematic manner. The purpose of this policy is to specify the process and forms which state agencies must use to report property/casualty claims and incidents to the Risk Management & Tort Defense Division (RMTD).

#### II. Definitions

<u>Claim</u> - A claim is a demand for monetary damages arising from personal injury or property damage. For purposes of this policy, 'claim' refers to a request for indemnification from a state agency for property damage or a liability claim filed against a state agency, excluding a lawsuit. All claims require that state agencies conduct a preliminary investigation and submit a Report of Incident to RMTD as described in this policy. Claimants shall not be directed to use forms, rules, or processes hereinafter referenced, rather, they shall be referred to the procedures outlined on RMTD's website.

<u>Incident</u> - An event, process, or set of circumstances that may result in potential harm or loss to the state.

<u>Indemnification</u> - An agreement where one party agrees to pay claims and associated costs in behalf of another party to an agreed limit, for specified loss exposures, and for a time specific period.

#### III. Claim Categories

For reporting purposes, claims fall into one of three categories:

- A. **Vehicle** losses arising from the use of state owned, leased, or courtesy vehicles, mobile equipment, and watercraft.
- B. **Personal Injury** losses arising from bodily injury or property damage other than vehicles.
- C. **Property** losses to state property other than automobile and personal injury arising from perils such as hail, windstorm, earthquake, fire, theft, etc.

The division coordinates the settlement and adjudication of property and casualty claims except workers' compensation, group health, life, accidental death & dismemberment, and disability in behalf of state agencies. All other

claims shall be filed with the agencies of state government or the university system responsible for administering those programs.

#### IV. Claims Reporting

Timely and accurate reporting of claims is critical in order to protect the interests of the state and its employees.

- A. After an agency or university has suffered a loss, the employee most familiar with the incident should immediately notify his/her supervisor and complete a 'Report of Incident'. For vehicular accidents, guidelines about what information to collect and what to say and do at the accident scene may be found in the 'Accident Form' pamphlet found in the vehicle glove box.
- B. The immediate supervisor or designee will conduct an investigation to determine what happened, why it happened, and how the claim can be prevented from recurring.
- C. Any catastrophic property loss or other loss which involves a fatality or bodily injury should be telephoned by the immediate supervisor or designee to RMTD claims staff within 24 hours.
- D. The immediate supervisor or designee must assure that a 'Report of Incident' form is accurately completed, signed, and sent to RMTD within 5 business days. Claims that are not reported within 60 days may be denied.
- E. A 'Report of Incident' should be initiated even if no injury or property damage resulted from the incident. An incident that occurs today with little consequence for the agency involved may have serious consequences for others at some future date.
- F. The 'Report of Incident' must contain only factual information. State personnel who are completing the reports should exercise caution not to place blame on other state employees or admit liability.
- G. Do not furnish information on claims or lawsuits unauthorized persons other than law enforcement officials. Obtain names and address of witness. Refer all other questions to RMTD.
- H. In the event of a claim involving theft of money, securities, or other property, notify the police immediately and call RMTD claims staff as soon as possible.

#### V. Records

Copies of the 'Report of Incident' form shall be distributed as follows: ORIGINAL

Risk Management and Tort Defense Division 1625 11th Avenue

P.O. Box 200124 Helena, MT 59620-0124

#### **COPIES**

Department of Transportation, Organizational Development Bureau for claims involving motor pool vehicles. One copy of each report shall also be maintained by the respective agency. If possible, photographs and diagrams of the losses should also be provided.

## **VI. Rules Governing**
